The Clock

From **Miss Piper**

Time for the latest news:

Well done to our 3/4 tag rugby team who represented Longford at QEGS on Tuesday. The event was a great success, with the team going on to win their league. Well done team! What was most pleasing to hear however, was such clear demonstration of the school values whilst off-site...

**Time to
Celebrate...**

Miss Piper's Sparklers this week have been:

The Robins' teaching team – nominated by Georgia

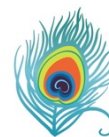

Ted and Nico R for love of learning – nominated by Seren

Harriet Y1 for effort – nominated by Ivy-Mae

Emily S Y6 for effort – nominated by Miss Piper

Hannah Y6 for kindness – nominated by Oliver

Cody Y6, Charlie Y6 & George C Y4 for kindness & generosity – nominated by Miss Townsend

Peacock Award – Lucy D Y4 for love of learning and resilience

Cover Photo: Our Y3/4 tag rugby team

They co-operated and supported one another well, explaining the rules to those who were unsure and taking it in turns to sub. They even made sure to congratulate other teams. We are very proud of the whole team and thank them for representing Longford so well!

Thank you also to the parents who were in attendance at the event and fed back to us at school.

Parents' Consultation Meetings

It has been lovely to meet with many of you over the past week to discuss how your child(ren) is settling back into school after such an interrupted 18 months prior to September.

It has been very pleasing to hear how happy and engaged children are with their learning and how they are taking what they have been taught home to share with their family and friends – it is clear that our new curriculum, centred around lots of engaging topics, is really inspiring children and fostering a clear love of learning.

If you are yet to book in for a virtual meeting – please message the appropriate teacher as these will be taking place next week.

Topics brought to life!

Speaking of exciting topics...next week, coincidentally, each class has either a trip or workshop planned which links with their topic for this term – it's sure to be a fun-packed week!

Robins – Clay Rooms sculpture workshop on Monday

Woodpeckers – trip to Jorvik on Friday

Owls – Ancient Greeks workshop on Monday

Children in Need 2021

Thank you to all of you who baked and/or donated to our cake stall – it is very much appreciated, as always. There was a vast array of tasty treats: from mince pies to brownies and muffins. The children certainly had a fantastic morning break, eating cake and chatting with their friends.

Thank you also to the Y6 team who set up the stall and served the other children – you definitely showed the values of service & responsibility.

In total, we managed to raise a brilliant £62. Well done all!

Next week:

Monday	Tuesday	Wednesday	Thursday	Friday
